Joining Brighter Super

The Suncorp Group plan in Brighter Super is open to all employees of Suncorp Group. The Suncorp Group Plan also includes existing members of the following associated employers: NTI Limited, RACT Insurance Pty Ltd, Knight Frank Australia Pty Ltd and LJ Hooker Corporation Ltd.

When you start employment with Suncorp Group, you'll be given the option to nominate a super fund of your choice and you can choose to join the Suncorp Group plan in Brighter Super. If you choose Brighter Super, your payroll office will organise the rest for you.

It's important to remember, if you don't choose a super fund, Suncorp Group will be required to find your 'stapled account' with the Australian Taxation Office (ATO) and make your compulsory superannuation contributions to that super fund.

Contributing to your Suncorp Group plan

There are a range of flexible methods for making contributions into your Brighter Super Accumulation account. Your employer(s) can contribute compulsory Superannuation Guarantee (SG) and award contributions, contributions you nominate under a salary sacrifice arrangement and other voluntary contributions for you. You can also make personal contributions to your account, which you may be able to claim as a tax deduction, or arrange for your spouse to contribute to your account for you.

Suncorp Group will arrange for payment of all employer contributions, including contributions made under a salary sacrifice arrangement, plus any personal contributions you arrange to make via payroll deduction, to your account.

If you, or your spouse, want to make contributions directly to your account, you can contribute using BPAY®. BPAY lets you make contributions from your own bank account over the phone or internet. To make a BPAY contribution, you'll need your Customer Reference Number (CRN) and Biller code. You'll find your BPAY details in your online account, which you can access once you join Brighter Super.

You can also transfer benefits you hold in other super funds to Brighter Super once you join. You can find more information on transferring super benefits and making contributions (including how and when they can be made) in the *Member Guide*.

Your investment options

In addition to MySuper, Brighter Super offers 11 professionally managed investment options, bringing together the expertise from a variety of investment managers from Australia and around the world.

Once you join, you can change your investment selection at any time by logging in to your online account and completing an online switch, or downloading and completing a copy of the *Investment Switch form*. Before making a choice, you should consider the possible return and risk of the investment options and how long you plan to keep them. You should also consult your financial adviser to help you decide the investment strategy that is right for you. For more information about our investment options, please refer to the *Investment and Fees Guide*.

6. Fees and Costs

The following replaces some of the text in the *Fees and Costs* section in the *Accumulation Product Disclosure Statement*.

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns. For example, total annual fees and costs of **2%** of your account balance rather than **1%** could reduce your final return by up to **20%** over a **30-year** period (reduced from **\$100,000** to **\$80,000**).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs. You or your employer, as applicable, may be able to negotiate to pay lower administration fees. Ask us or your financial adviser.

TO FIND OUT MORE

If you would like to find out more or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** Moneysmart website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

Brighter Super offers simple and transparent fees. Suncorp Group have arranged with the Trustee for special administration fees and costs which apply to the Suncorp Group plan. The administration fees and costs are outlined in this section and the table below replaces the MySuper fees and costs tables in the *Accumulation PDS* and the administration fees and costs in the *Investment and Fees Guide* and apply whilst you are employed by Suncorp Group. Please refer to the *Investment and Fees Guide* for investment fees and costs.

Fees and costs can be paid directly from your account, deducted from investment returns or the Fund's General Reserve. Brighter Super does not negotiate fees and costs with members.

This information can be used to compare costs between different superannuation products.

You should read the important information about Brighter Super's fees and costs below, in our *Investment and Fees Guide* and the *Corporate Offer Insurance Guide* before making a decision. Go to brightersuper.com.au/PDS or call us on **1800 444 396**. The material relating to Brighter Super's fees and costs may change between the time when you read this Statement and the day when you acquire the product.

Fees and costs summary for the Suncorp Group plan

The fees and costs outlined below are applicable to you whilst you are employed by Suncorp Group and remain a member of the Suncorp Group plan. If you leave your employer or change your employment type, you may incur a fee increase and/or an increase in insurance premiums. Refer to *What happens when you leave your employer or change employment type?* below for the changes to fees and costs that will apply if you leave Suncorp Group or change employment type.

Other fees and costs ⁴	Refer to <i>Additional explanation of fees and costs</i> in the <i>Investment and Fees Guide</i> for additional charges that may apply to your account.		

¹If your account balance for a product offered by the superannuation entity is less than \$6,000 at the end of the entity's income year, certain fees and costs charged to you in relation to administration and investment are capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.

²This amount is not deducted from your account balance but is deducted from the Fund's General Reserve.

³Investment fees and costs include an amount of 0.00% - 0.18% for performance fees. The calculation basis for this amount is set out under *Additional explanation of fees and costs* in the *Investment and Fees Guide*.

⁴Additional fees may apply, such as advice fees for personal advice or insurance. See the *Additional explanation of fees and costs* section in the *Investment and Fees Guide* and the *Corporate Offer Insurance Guide* for further information.

Note: The Fund receives a tax deduction for expenses related to super administration and investment fees. As a result, the actual administration and investment fees you pay in Brighter Super will be reduced by 15%.

Percentages have been rounded to two decimal places. Costs are calculated based on costs incurred in the 2023 calendar year and may not be a reliable indicator of future costs.

8. Insurance in your super

The following replaces some of the text in the *Insurance in your super* section in the *Accumulation Product Disclosure Statement*.

Brighter Super offers:

- Death insurance cover (sometimes referred to as Life cover) which includes terminal illness cover;
- Total and Permanent Disablement (TPD) cover to protect you if you become totally and permanently disabled; and
- Income Protection cover to protect your income if you are temporarily unable to work due to illness or injury.

Please note: for Death, Terminal Illness, or TPD cover, any insurance proceeds received are paid into your account and invested in the Cash investment option.

Suncorp Group has arranged for the following default cover, up to the Automatic Acceptance Limit (AAL), to be provided automatically to eligible members of the plan. Provided you meet the eligibility rules, default cover will commence the date your account balance reaches at least \$6,000 and you are aged 25 years or more.

If a 'Superannuation Guarantee (SG) contribution' is received prior to, or within 120 days, of the date your default cover commenced, 'New Events Cover' will apply until you have been in 'active employment' for 30 consecutive days (refer to the *Corporate Offer Insurance Guide* for the definition of New Events Cover).

If a SG contribution is received more than 120 days after the date your default cover commenced, New Events Cover will apply for 24 months and will cease to apply once you satisfy the 'active employment' requirements for 30 consecutive days after the end of the 24 month period.

Starting default cover early

You can elect to start cover earlier by completing the *Insurance cover election form - Corporate Offer* available at brightersuper.com.au/forms. To be eligible for earlier default cover, you must complete and return the *Insurance cover election form - Corporate Offer* within 120 days from the date you joined the Fund otherwise you will need to apply for underwritten cover.

[^]Suncorp Group provide us with information to enable us to determine your employment type when they nominate you for membership, otherwise you will be provided with the default age-based Death and TPD cover.

For permanent staff, the default cover in the above table replaces the standard default cover as described in the *Corporate Offer Insurance Guide*.

All other rules relating to default cover in the *Corporate Offer Insurance Guide* will apply to your employer selected default cover.

Insurance for Suncorp Group plan members is provided by TAL Life. Refer to the *Corporate Offer Insurance Guide* for further information on insurance, including the eligibility rules for cover.

Insurance fees apply to insurance cover, and these fees are detailed below. This means the insurance fees in the *Corporate Offer Insurance Guide* will not apply to you whilst you're a member of the Suncorp Group Corporate Plan, within Brighter Super unless you are casual. For casual staff, please refer to the 'Standard premium rates' table in the *Corporate Offer Insurance Guide*.

For the purposes of the insurance fees you pay, your occupation category is White Collar.

Your occupation category won't change whilst you're employed by your employer. This replaces the information on occupation categories in the *Corporate Offer Insurance Guide*.

Other insurance information

Default cover - eligibility condition for entry ages

To be eligible for Income Protection, you've reached age 15 and are less than 70. Refer to the *Corporate Offer Insurance Guide* for further eligibility rules.

Leave without pay for current employees of the Suncorp Group

If you take leave without pay, your insurance cover can continue for up to 12 months without the need to obtain confirmation, provided the following conditions are satisfied:

- you are taking leave for reasons other than 'illness' or 'injury'
- you are employed on a 'permanent basis'
- your salary used to calculate your insurance cover is the same as your last working day prior to going on leave without pay
- your employer approves the period of leave in writing before going on leave, and
- your insurance fees continue to be paid.

If you are taking parental leave, your Death and 'TPD' cover will continue for up to 24 months, however, your Income Protection cover will stop after 12 months leave. You will need to reapply and be underwritten for Income Protection cover when you return to work.

Partial disability

If you have Income Protection cover and you have been 'totally disabled' for the first 14 consecutive days during the 'waiting period' and you become 'partially disabled', we will pay you a partial disability benefit if you are able to return to work in a reduced capacity due to 'illness' or 'injury'. The benefit paid can compensate your partial loss of earnings if you are only able to return to work gradually. We'll pay this monthly benefit until you can return to work at full capacity (or you are medically certified to do so), or until the end of the 'benefit period'. Your monthly benefit will be reduced in line with any amount you earn while 'partially disabled'.

Voluntary redundancy

The acceptance by you of any voluntary redundancy of your employment will not be considered by the Insurer in determining whether you are 'totally and permanently disabled', within the meaning of the Policy.

When cover may be reduced

Your monthly Income Protection benefits will be reduced if you receive:

- a. any amounts payable under legislation such as workers' compensation or motor accident compensation
- b. sick leave payments
- c. income replacement benefits from any other insurance policies (including an insurance policy issued through superannuation funds); and
- d. any 'income' which in the Insurer's opinion, you could reasonably be expected to earn in your 'occupation' whilst disabled.

If any of the payments listed above (other than income earned in point (d)) are received as a lump sum instead of as a monthly amount, the Insurer will convert that amount to monthly income on the basis of 1/60th of the lump sum over a period of 60 months. The amount paid for any claim may be reduced or not paid at all if you make a claim later than the period allowed and the delay is detrimental to the Insurer.

Definitions

Definitions are important – they help you to understand what you're paying for and set out the rules TAL Life will apply when considering your eligibility for cover or a claim, helping to avoid uncertainty and making the claims process easier. This list contains a summary of the definitions that apply to insurance cover offered by TAL Life Limited through the Suncorp Group plan. The full definitions are contained in the policy document.

Definitions common to Death, TPD and Income Protection cover

Minimum hours: Means 15 hours per week.

Permanent basis: Means you're employed by your 'employer' under a single and ongoing contract of employment that:

- is of indefinite duration or is for a fixed term of no less than 12 months
- requires you to perform identifiable duties
- requires you to work a regular number of hours each week and for Income Protection at least equal to the 'minimum hours', and
- provides you with paid annual, sick and long service leave.

Salary: Means the salary we were last advised before the date of death or disablement, unless otherwise specified by us. Your salary includes any packaged element not directly received by you as taxable earnings, but excludes:

- a. Director's fees
- b. Bonuses (except for Financial Planners)
- c. Overtime
- d. Commission
- e. Investment income
- f. Profit distribution
- g. Shift allowance and loadings; and
- h. Compulsory Super Guarantee (employer) contributions.

Definitions for Death and TPD cover

Date of disablement: Means the later of:

- a. the date that a 'medical practitioner' examines you and certifies in writing that you're suffering from an 'illness' or 'injury' that is the principal cause of your 'total and permanent disablement', and
- b. the date you cease all employment.

If you participate in a rehabilitation program, and are incapable of returning to employment within 12 months from the date you commence your absence from employment, the date of disablement will be the date that would have applied if you had not participated in the rehabilitation program.

Definitions for Income Protection cover only

Benefit expiry age: Means age 70.

Partially disabled and partial disability:

You are considered 'partially disabled' if you are not 'totally disabled', but because of 'illness' or 'injury' you:

- a. have been 'totally disabled' for 14 consecutive days
- b. are unable to work in your own 'occupation' at full capacity immediately after you became 'totally disabled' because of the 'illness' or 'injury' that caused your 'total disability'
- c. are working in your own 'occupation' in a reduced capacity, or working in another occupation
- d. earn a monthly income that is less than your 'pre-disability earnings' or could reasonably be expected to earn based on medical evidence/certification, and
- e. are under the regular care of, and following the advice of, a 'medical practitioner' or a specialist where you have been referred to a specialist by a 'medical practitioner'.

During the period of incapacity, you may undertake retraining and/or rehabilitation (other than an 'excluded rehabilitation program') as allowed by your 'illness' or 'injury'. Subject to the policy terms the Insurer will fund this retraining and/or rehabilitation to the maximum value of 6 times the monthly benefit.

Totally disabled and total disability:

You are totally disabled if the Insurer is satisfied that you are unable due to 'illness' or 'injury', to perform the 'material or substantial duties' of:

- a. your 'occupation', and
- b. any gainful equivalent occupation with the 'employer' for which you are reasonably suited and can derive a 'salary'.

You must be under the care of a 'medical practitioner', and relevant specialist, where you have been referred to a specialist by a 'medical practitioner'.

'Material or substantial duties' are defined as the duties that you are normally required to do to perform your normal 'occupation' or an equivalent gainful occupation and which cannot reasonably be omitted or modified by your 'employer'. The duties refer to the tasks you are required to perform, and whether those tasks could be carried out for the 'employer', or any other employer. Journey to and from your normal residence to your normal place of work is not regarded as part of the normal material or substantial duties.

During the period of incapacity, you may undertake retraining and/or rehabilitation (other than an 'excluded rehabilitation program') as allowed by your 'illness' or 'injury'. Subject to the policy terms, the Insurer will fund this retraining and/or rehabilitation to the maximum value of 6 times the monthly benefit.

You must also satisfy either the 'temporary incapacity' or 'permanent incapacity' condition of release under superannuation law.

Waiting period:

The waiting period is 60 days and starts on the later of the date a 'medical practitioner' examines you and certifies that you are disabled, or the date you ceased work as a result of your disability. It determines the earliest day you'll be eligible to receive benefit payments.

You may return to work for a one-off period of up to maximum five consecutive days without having to restart the waiting period. Any days you worked will be added to the waiting period.

What happens when you leave your employer or change employment type?

If you change the basis upon which you are employed by Suncorp Group, any employer selected Death and TPD may change. For example, if you change to casual employment, your employer selected Death and TPD will change to fixed cover and standard premium rates apply. If you change from casual employment to permanent employment, your employer selected Death and TPD cover changes to salary-based cover including any applicable employer selected Income Protection cover, and the insurance rates on pages 5 and 6 will apply to your cover.

Any member selected Income Protection cover you hold will remain unchanged. However, if you are working less than 15 hours a week, any employer selected Income Protection cover you hold will cease. If Income Protection cover is cancelled, this will take effect from the day before we are notified by your employer of the change.

When you leave Suncorp Group, provided you have money in your account, you'll stay in Brighter Super, but as an individual member.

Refer to the *Investment and Fees Guide* for the fees and costs that apply when you leave your employer. See the *Changes to insurance fees when you leave your employer* section below for the insurance fees that will apply if you leave the Suncorp Group.

Any employer selected Death and TPD cover will continue but as fixed cover, from the date we're notified you've left your employer. Any member selected cover you have will continue.

Any employer selected Income Protection cover will cease and you have 6 months to apply to reinstate your cover from the date we are notified you have left your employer. Any member selected cover that you have will continue.

Refer to the *Corporate Offer Insurance Guide* for more information on when cover stops.

Once we know you have left Suncorp Group, we'll write to you to explain your options and ask you to update any personal details that may impact your benefits. We'll also provide you with the information you'll need to arrange for your new employer to contribute to your account.
