Joining Brighter Super

The Technology One plan in Brighter Super is open to all employees of Technology One.

When you start employment with Technology One, you'll be given the option to nominate a super fund of your choice and you can choose to join the Technology One plan in Brighter Super. If you choose Brighter Super, your payroll office will organise the rest for you.

It's important to remember, if you don't choose a super fund, Technology One will be required to find your 'stapled account' with the Australian Taxation Office (ATO) and make your compulsory superannuation contributions to that super fund.

Contributing to your Technology One plan

There are a range of flexible methods for making contributions into your Brighter Super Accumulation account. Your employer(s) can contribute compulsory Superannuation Guarantee (SG) and award contributions, contributions you nominate under a salary sacrifice arrangement and other voluntary contributions for you. You can also make personal contributions to your account, which you may be able to claim as a tax deduction, or arrange for your spouse to contribute to your account for you.

Technology One will arrange for payment of all employer contributions, including contributions made under a salary sacrifice arrangement, plus any personal contributions you arrange to make via payroll deduction, to your account.

If you, or your spouse, want to make contributions directly to your account, you can contribute using BPAY®. BPAY lets you make contributions from your own bank account over the phone or internet. To make a BPAY contribution, you'll need your Customer Reference Number (CRN) and Biller code. You'll find your BPAY details in your online account, which you can access once you join Brighter Super.

You can also transfer benefits you hold in other super funds to Brighter Super once you join. You can find more information on transferring super benefits and making contributions (including how and when they can be made) in the *Member Guide*.

Your investment options

You and your financial adviser have the option to choose your own investment mix. If you don't make a choice, you'll be invested in the MySuper option.

In addition to MySuper, Brighter Super offers 11 professionally managed investment options, bringing together the expertise from a variety of investment managers from Australia and around the world.

Once you join, you can change your investment selection at any time by logging in to your online account and completing an online switch, or downloading and completing a copy of the *Investment Switch form*. Before making a choice, you should consider the possible return and risk of the investment options and how long you plan to keep them. You should also consult your financial adviser to help you decide the investment strategy that is right for you. For more information about our investment options, please refer to the *Investment and Fees Guide*.

8. Insurance in your super

The following replaces some of the text in the *Insurance in your super* section in the *Accumulation Product Disclosure Statement*.

Brighter Super offers:

- Death insurance cover (sometimes referred to as Life cover) which includes terminal illness cover;
- Total and Permanent Disablement (TPD) cover to protect you if you become totally and permanently disabled; and
- Income Protection cover to protect your income if you are temporarily unable to work due to illness or injury.

Please note: for Death, Terminal Illness, or TPD cover, any insurance proceeds received are paid into your account and invested in the Cash investment option.

Technology One has arranged for the following default cover, up to the Automatic Acceptance Limit (AAL), to be provided automatically to eligible members of the plan. Provided you meet the eligibility rules, default cover will commence the date your account balance reaches at least \$6,000 and you are aged 25 years or more.

If a 'Superannuation Guarantee (SG) contribution' is received prior to, or within 120 days, of the date your default cover commenced, 'New Events Cover' will apply until you have been in 'active employment' for 30 consecutive days (refer to the *Corporate Offer Insurance Guide* for the definition of New Events cover).

If a SG contribution is received more than 120 days after the date your default cover commenced, New Events Cover will apply for 24 months and will cease to apply once you satisfy the 'active employment' requirements for 30 consecutive days after the end of the 24 month period.

Starting default cover early

You can elect to start cover earlier by completing the *Insurance cover election form - Corporate Offer* available at brightersuper.com.au/forms. To be eligible for earlier default cover, you must complete and return the *Insurance cover election form - Corporate Offer* within 120 days from the date you joined the Fund otherwise you will need to apply for underwritten cover.

Employment type [^]	Cover type	Sum insured*	Up to AAL
Permanent staff working 15 or more hours a week	Death and TPD	15% x Salary x Years and days of Future Service to age 70	\$1,000,000
	Plus	Plus	
	Income Protection	85% of Salary (including 10% superannuation benefit) 30-day waiting period 2-year benefit period	\$10,000 per month
Permanent staff working less than 15 hours a week	Death and TPD	15% x Salary x Years and days of Future Service to age 70	\$1,000,000
Casual staff	Death and TPD	Age-based	Not applicable

**Salary is the salary last advised to us by Technology One and Years and days of service to age 70 means future years and complete days of service to age 70.*

[^]Technology One provide us with information to enable us to determine your employment type when they nominate you for membership, otherwise you will be provided with the default age-based Death and TPD cover.

For permanent staff, the default cover in the above table replaces the standard default cover as described in the *Corporate Offer Insurance Guide*.

All other rules relating to default cover in the *Corporate Offer Insurance Guide* will apply to your employer selected default cover.

If you don't meet the eligibility rules, or you would like additional cover (including for amounts above the AAL), you will need to apply by completing the *Insurance application form - Corporate Offer*. This includes answering questions about your health and lifestyle and being assessed and accepted by the Insurer.

Insurance for Technology One Corporate Plan members is provided by TAL Life. Refer to the *Corporate Offer Insurance Guide* for further information on insurance, including the eligibility rules for cover.

Insurance fees apply to insurance cover, and these fees are detailed in the *Corporate Offer Insurance Guide*.

For the purposes of the insurance fees you pay, your occupation category is White Collar.

Your occupation category won't change whilst you're employed by your employer. This replaces the information on occupation categories in the *Corporate Offer Insurance Guide*.

Your insurance fees

Technology One has arranged special insurance fees for members who receive salary-based default Death and TPD cover when their cover first starts. These insurance fees are detailed in the table and replace the 'Corporate premium rates - Death and TPD cover' in the *Corporate Offer Insurance Guide*. The insurance rates outlined in the table only apply whilst you are employed by Technology One. These rates are inclusive of stamp duty.

The 'Standard premium rates' in the *Corporate Offer Insurance Guide* applies to casual staff who receive the age-based Death and TPD cover.

Refer to *What happens when you leave your employer or change employment type?* below for more information on the changes to insurance fees that will apply when you change your employment basis or leave Technology One.

The *Examples of how to calculate insurance fees* section in the *Corporate Offer Insurance Guide* explain how to use these rates.

Increasing, reducing and cancellation of your cover

You can apply to increase, decrease or decline to acquire insurance cover when you join the Fund by completing an *Insurance application - Corporate Offer* form or an *Application to reduce insurance cover - Corporate Offer* form available at brightersuper.com.au/forms.

Legislation requires a super fund to cancel insurance cover for:

- Members with an account that has been inactive (no contributions or rollovers received) for 16 months; or
- Members who are under 25 years old and have an account balance of less than \$6,000 where the Member ceases employment with an Employer who has been paying their insurance premiums

unless the Member has made an election to continue their insurance cover by completing an *Insurance cover election form - Corporate Offer*. Please refer to the *Corporate Offer Insurance Guide* applicable to you for more information about making an election to maintain your insurance cover.

Please note: You may be required to have insurance cover under an enterprise bargaining agreement which is applicable to your workplace. You should check this with your employer prior to cancelling or reducing this cover.

What happens when you change employment type or leave your employer?

If you change your employment type

If you change the basis upon which you are employed by Technology One, any employer selected Death and TPD may change. For example, if you change to casual employment, your employer selected Death and TPD will change to fixed cover, standard premium rates apply and your employer selected Income Protection ceases. If you change from casual employment to permanent employment, your employer selected Death and TPD cover changes to salary-based cover provided to permanent staff, including any applicable employer selected Income Protection cover, and the insurance fees on page 5 apply to your employer selected Death and TPD cover.

Any member selected Income Protection cover you hold will remain unchanged. However, if you are working less than 15 hours a week, any employer selected Income Protection cover you hold will cease. If your Income Protection cover is cancelled, this will take effect from the day before we are notified by your employer of the change.

If you leave Technology One

When you leave Technology One, provided you have money in your account, you'll stay in Brighter Super, but as an individual member. This means that the fees and costs including the insurance fees outlined in this Plan Summary will no longer apply to you. Refer to the *Investment and Fees Guide* and *Corporate Offer Insurance Guide* for the fees and costs that apply when you leave your employer.

Any employer selected Death and TPD cover will continue but as fixed cover, from the date we're notified you've left your employer. Any employer selected Income Protection cover will cease and you have 6 months to apply to reinstate your cover from the date we are notified you have left your employer. Any member selected cover that you have will continue.

Refer to the *Corporate Offer Insurance Guide* for more information on when cover stops.

Once we know you have left Technology One, we'll write to you to explain your options and ask you to update any personal details that may impact your benefits. We'll also provide you with the information you'll need to arrange for your new employer to contribute to your account. Please refer to the *Corporate Offer Insurance Guide* for insurance costs that will apply after you leave your employer.
